

Detroit Through New Eyes

ART COMPETITION AND SHOW

Do you have a passion for art?

Do you have a perspective of Detroit that is truly your own?

We want to see how you see the city. We want the good, the bad, the ugly, and the beautiful. We want you to show us this through your art. Whether it be a photograph, painting, sketch, or digital design, let it show your true feelings of the city.

~

All entries will be displayed in the atrium of the UGL from November 17- 23. Prizes will be given to the top 3 submissions that have the best representation of the city. Prizes include having the artwork displayed in the Honors College

~
